53 Submitted to His Highness.

V

With His Highness' gracious sanction, orders were issued, in October last, modifying certain rules in the Travelling Allowance Regulations. As there was difference of opinion on other points dealt with by the Retrenchment Committee as well as by Mr. Datta, it was decided that these points should be considered separately.

2. The points have been fully considered, and the draft Order now submitted is in accordance with the resolution of the Council.

A

The main features of the proposal are:

(a) classification of officers of all departments on salary basis and fixing of rates of travelling allowance for each class,

(b) grant of double the rates of railway fare and road mileage to all officers transferred in the interests of public service from one station to another for more than 3 months,

(c) grant of enhanced rates of daily allowance for journeys and halts in the Malnad and in the Kolar Gold Fields, at 25 % more in the case of officers whose salary is Rs.250 and above, and at 50 % more to others, instead of at 50 % to some officers and at 100 % to others as under the present rule.

3. The question of revising the tracts to be treated as Malnad as well as that of the rates for journeys and halts in semi-malnad areas is reserved for separate consideration.

4. The draft Order, which is in accordance with the resolution of the Council, may be graciously approved.

the travelling allowance of (1) the Private Secretary to His Highness, (2) Mr. A. Venkatasubbiah, Manager of the office of (1), and (3) the Sheristadar of the same office.

29 Mr. Campbell's travelling allowances are governed by his service agreement and the rates allowed are personal to him. The Sheristadar referred to is Mr. B.K.Subbaraya and the daily allowance of Rs2 sanctioned in his case is also personal to him. Whatever travelling allowances have been sanctioned in service agreements or as personal to particular officers cannot be altered by the proposed general revision and the following addition may be made to para 3 of the draft order:-

"The rates allowed to officers employed under "agreements of service or as personal to particular officers are also not altered by this "order."

30 The travelling allowance given to Mr. A.Venkatasubbiah is not personal to him nor is it regulated by any personal special service agreement. His case will not, therefore, be covered by the addition to para 3 of the draft order proposed above. To make a special exception of one individual case and mention it as such in the order does not appear to be proper. If the intention is that he should get a daily allowance of Rs.3/-

It is not clear how this is held to be special to him vide Mr. Campbell's letter.
